

ADVENTURE CAMP FAQ 2023

Adventurers Age: 6-10 Location: Kids Fitness Room

Time: 7:30-5:30 p.m. Monday-Friday

SWIM NOTICE: Children must be able to jump in deep water and swim 20 yards without assistance or touching the wall of the pool to enroll in camp.

Drop off and pick up policy: We do not allow parents to pick up or drop off campers while we are on field trips. We ask that parents walk the child up to camp during drop off and pick up time. When your child is dropped off the parent needs to sign in their name, their child's name and the time that they arrived. Counselors need written notification if a camper is going to be picked up by someone other than who dropped them off. This person needs to show photo identification to take the child.

Every day needs: Every day the camper is responsible for bringing their own water bottle, lunch, swimming suit, towel, appropriate footwear and sunscreen according to schedule. Please label personal belongings with name and phone number when possible.

Lockers: Bring a lock for the locker rooms. Don't leave items unattended or unlocked.

SplashDown Cove: SplashDown cove opens at 12:00 p.m. daily. We use it most days.

Behavior/ Discipline: Campers are expected to listen to counselors and respect their fellow campers. Campers are given warnings and if they do not correct their behavior they are either taken out of an activity and/or a parent phone call is placed. If the behavior continues the camper is sent home for the day or the rest of the summer depending on the situation.

Lunch policy: Bring a sack lunch and healthy snack everyday to camp. **NO NUT PRODUCTS.**

Field trips: Adventure camp goes on field trips several times a week. This year due to Covid 19 our field trips will be within walking distance or a short bus ride (private bus or transit) of The Pacific Clinic. Activity and field trip times are posted on the weekly camp schedule. Campers are provided with an Adventure Camp t-shirt to be worn during camp. These **must** be worn at all times. Campers are put into groups and assigned a counselor for the duration of the trip. Your child's assigned counselor stays with the assigned campers **at all times** during our trip. Campers are responsible for their own items (backpacks, lunch boxes, sweatshirts etc.) on field trips AND for bringing and keeping track of any money they bring. Counselors do not hold money for campers.

Snack policy: Camp is very active and we encourage parents to send a healthy snack with their child. **NO NUT PRODUCTS.**

Medical emergency policy: a waiver must be filled out and turned into the service desk prior to your child's first day of camp. This ensures that we can contact you in the event of any emergencies or questions that need to be addressed during the day.

Money policy: You can send money with your child, keep in mind, we do **NOT** monitor or hold money for children. Only send enough money you feel comfortable with them spending or losing.

Payment policy: You must be registered and have paid before you leave your child for a given session. Due to camp demand, we do not allow switching days or offer refunds.

TAXES: Pacific Clinic does not keep camp kids attendance and payment on file. Please keep your receipts if you need them for tax purposes.

Registration policy: To Participate in Adventure Camp your child must be registered. To take full advantage of the early registration fee your child must be registered no later than Wednesday the week prior to the week you are registering for. Registration for the next week **CLOSES** on Friday.

Late pick-up Policy: We do not offer extended camp service. If you do not pick up your child within 5 minutes after camp has ended, the counselors drop them off in the nursery. Nursery fees apply. If you are late picking your child up on a Friday a late fee of \$5.00 will be applied to your account.

Items not allowed at camp: Campers are not allowed to bring electronics, trading cards, or weapons of any sort. Personal belongings are best left at home. **Cell phones are permitted, however, they are only to be used in an emergency and not to be used as toys or abused.**
