HIT - High Intensity TENNIS

HIT class is perfect for the player who wants to improve their cardiovascular endurance and their tennis game. It's a game and play class designed towards 3.5 players and higher. Our Pro starts with a light warm up and then moderately increases the difficulty. Then its drills, drills, drills. We finish the lesson with some fun games to give you a great workout.

Friday Morning Grind

Join our drop-in tennis class with a variety of tennis games to get you moving, sweating and grinding it out! After our grinding workout join us for coffee and a different kind of grind!

Adult Beginner

If you're new to tennis, or you're coming back after some time off, this adult beginner drop in class gets you back into the swing of things. The lessons are designed to introduce players to the fundamental mechanics of various swings combined with lively fun-play.

Monday Night Cardio Tennis

Where cardio reigns supreme and tennis follows suit! We start with a dynamic warm-up, transition to tennis drills, and then dive into heart-pumping cardio games—all while jamming to music. Designed for all skill levels, it's about building endurance, stamina, and strength on the court, with fun as the main focus.
